

CURRICULUM VITAE

(updated 9/1/2018)

Steven S. Coughlin, Ph.D., M.P.H.

Address:

473 Crossroads Drive
North Augusta, SC 29851
Place of birth: Lynwood, CA
Date of birth: 7-14-57

EDUCATION

1984 to 1987, Ph.D., Epidemiology, The Johns Hopkins School of Hygiene and Public Health, Baltimore, MD

1981 to 1984, M.P.H., Epidemiology, Graduate School of Public Health, San Diego State University, San Diego, CA

1975 to 1978, B.S., Health Science, University of Nevada, Reno, NV

PROFESSIONAL EXPERIENCE

2018-Professor of Epidemiology, Department of Population Health Sciences, Medical College of Georgia, August University, Augusta, GA

2017-2018 Director, Master of Public Health Program, College of Allied Health Sciences and the Graduate School, Augusta University, Augusta, GA

2016-2018 Associate Professor, Department of Clinical and Digital Health Sciences, College of Allied Health Sciences, and the Graduate School, Augusta University, Augusta, GA

[*Secondary appointment*] 2016- Research Epidemiologist, Charlie Norwood Veterans Administration Medical Center, Augusta, GA

2015-2016 Visiting Professor, Department of Community Health and Sustainability, Division of Public Health, University of Massachusetts, Lowell, MA

[*Secondary appointment*] 2016, Member, University of Massachusetts Center for mHealth and Social Media, University of Massachusetts Medical School, Worcester, MA

[*Secondary appointment*] 2015-2016, Member, University of Massachusetts Center for Clinical and Translational Sciences (CCTS), Worcester, MA

2014 Director of Research Core, Research Center for Health Disparities, Equity, and the Exposome, College of Medicine, and Professor, Department of Preventive Medicine, University of Tennessee Health Science Center, Memphis, TN

2008-2012 Senior Epidemiologist and Health Sciences Specialist (GS-14, step 10), Environmental Epidemiology Service, Office of Public Health, Department of Veterans Affairs, Washington, DC

1997-2008 Senior Epidemiologist (GS-14, step 10), Epidemiology and Applied Research Branch, Division of Cancer Prevention and Control, Centers for Disease Control and Prevention, Atlanta, GA

[Secondary appointment] 2008-, Adjunct Professor, 1999-2008, Adjunct Associate Professor, Department of Epidemiology, Rollins School of Public Health, Emory University, Atlanta, GA

1993 to 1997, Associate Professor of Epidemiology (with tenure, March 1996), Director, Program in Public Health Ethics (1995 to 1997), Department of Biostatistics and Epidemiology, Tulane University School of Public Health and Tropical Medicine, New Orleans, LA

[Secondary appointment, while at Tulane full-time, for teaching a five-day short course on ethics and epidemiology in the Summer Program in Ann Arbor] 1995 to 1997, Visiting Professor, Department of Epidemiology, University of Michigan School of Public Health, Ann Arbor, MI

[Other secondary appointments while at Tulane] Member, Tulane Cancer Center (1995 to 1997); Member, Tulane-Xavier Center for Bioenvironmental Research (1996 to 1997); Member, Graduate School (1996 to 1997), Tulane University, New Orleans, LA

1991 to 1993, Assistant Professor, Divisions of Medical Oncology and Cardiology, Department of Medicine, Georgetown University School of Medicine; Acting Director of the Biostatistics Unit, Lombardi Cancer Research Center (1991 to 1992), Georgetown University Medical Center, Washington, DC

1989 to 1991, Research Assistant Professor, Division of Biostatistics and Epidemiology, Department of Community and Family Medicine, Georgetown University School of Medicine, Washington, DC

1988 to 1989, Epidemiologist, RidgeCom, Inc., Haverford, Pennsylvania

[Secondary appointment while at RidgeCom, Inc. full-time, for helping with a course for Penn medical students] 1989, Affiliate Faculty, Clinical Epidemiology Unit, Department of Medicine, Univ. of Pennsylvania, Philadelphia, Pennsylvania

[post-doctoral position] 1987 to 1988, Assistant Adjunct Professor, Division of Epidemiology, Department of Community and Family Medicine,

University of California, San Diego, California

[Part-time positions while a doctoral student] 1984 to 1987, Lead Programmer and Project Director, Department of Epidemiology, School of Hygiene and Public Health, The Johns Hopkins University, Baltimore, Maryland

[Part-time position while a masters student] 1984, Research Associate, Student Contractor, Naval Health Research Center, San Diego, California

HONORS AND AWARDS

- Included in Marquis Who's Who in America, and in the World, 2017-2018
- The 2014 Sergeant Thomas Joseph Sullivan Center (SSC) Award for Excellence in Deployment Health Science, September 24, 2014
- Research Integrity Award, International Society for Environmental Epidemiology, August 25, 2014
- Best veterans' article award, Australasian Military Medicine Association, 2013
- Presentation from Division of Cancer and Prevention and Control, CDC, 'In recognition of outstanding scientific contributions and service toward improving the public's health and lessening the burden of cancer,' 2008.
- Listed in Madison Who's Who of Professionals, 2008-2009 edition, for 'exemplary achievement and distinguished contributions.'
- Cash awards/bonuses, Division of Cancer Prevention and Control, CDC, 2006, 2007, 2008.
- Seed Planter Award, Metropolitan Community Churches, 2007.
- Secretary's Award for Distinguished Service, U.S. Department of Health and Human Services, June 2006.
- Included in the United Nations Educational, Scientific, and Cultural Organization (UNESCO) database of Who's Who in Ethics around the Globe (<http://www.unesco.org/shs/ethics/geo/user/?action=select&lng=en&db=>).
- Charles C. Shepard Science Award Nominee, CDC, January 2005
- Honorary member, Georgia Association of Physicians for Human Rights, October 2004-
- Presidential Active Lifestyle Award, President's Council on Physical Fitness and Sports, November 2004.
- On the Spot Award, Division of Cancer Prevention and Control, CDC, May 2003.
- Special Act Award, Division of Cancer Prevention and Control, CDC, April 2003.
- Charles C. Shepard Science Award Nominee, CDC, February 2003
- Special Act or Service Award, CDC, DHHS, June 2000.
- Merit award, Epidemiology and Health Services Research Branch, DCPC, NCCDPHP, CDC, April 1999, 2002.
- Listed in Who's Who in Science and Engineering 2000-2001, 2002-2003.
- Distinguished Alumni of the Year Award, College of Health and Human Services, San Diego State University, May 1997.

- Fellow, American College of Epidemiology, 1994-1999.
- First Independent Research Support and Transition Award, National Heart, Lung, and Blood Institute, 1990-1996.
- Faculty incentive awards, Tulane School of Public Health and Tropical Medicine, 1994, 1995.
- Delta Omega Public Health Honor Society, 1986.
- Honors, written comprehensive doctoral examination, Johns Hopkins University, 1985.
- Outstanding Epidemiology Student Award, San Diego State University, 1984.
- Honor Roll, B.S. degree with High Distinction, U.N.R., 1978.

NATIONAL AND INTERNATIONAL COLLABORATIVE ACTIVITIES

- Senior Advisor and Epidemiologist, The China Lymphoma Project, 2016-
- Member, The Sergeant Sullivan Center's Science and Policy Advisory Panel, 2014-
- Founder and President, Indio Center for Art, Religion, and United Societies (ICARUS), Inc., a 501 (c)(3) non-profit organization incorporated in California in 2008 that serves socioeconomically disadvantaged persons in more than 4 countries, via art instruction, art therapy, and provision of art materials.
- Member of mission delegations to Zimbabwe and Johannesburg, Soweto, and Durban South Africa, and benefactor/participant, international relief effort to support the Mother of Peace Children's Home in Mutoko, Zimbabwe (Mother Jean Corneck, Founder and Administrator), coordinated by the Yvette Flunder Foundation, City of Refuge Church (United Church of Christ) in San Francisco, the Allen Temple Baptist Church in Berkeley, CA, and the Metropolitan Community Churches denomination, 2004-
- Invited participant, National Dialogue on Cancer Primary Prevention and Early Detection Summit, September 18-20th, 2003, Atlanta, GA.
- Member, American Medical Association Expert Panel on Privacy and Confidentiality, 1998-99
- Chair, Standing Committee on Ethics and Philosophy, International Society for Environmental Epidemiology (ISEE), 1996-99 (member 1994-99)
- Chair, Committee on Ethics and Standards of Practice, American College of Epidemiology, 1996-98 (member 1995-98, ex officio member 1998-99)
- Organizer, ACE Workshop on Methods for Ethical Decisionmaking in Epidemiology, Boston, MA, September 21, 1997
- Organizer, ISEE Workshop on Methods for Ethical Decisionmaking in Environmental Epidemiology, Edmonton, Canada, August 21, 1996
- Organizer, ISEE Symposium on Ethics in Environmental Epidemiology: Community Interactions, Boston, MA, August 15, 1998
- National Research Council Oversight Committee for a Planning Meeting for A Guide to Education in Responsible Science, Washington, DC, July 1996
- Invited participant, NRC Planning Meeting for A Guide to Education in Responsible Science, Washington, DC, February 1997
- Scientific reviewer, International Prize Travelling Fellowship application, The Wellcome Trust, London, January 1996
- Invited speaker, Repatriation Medical Authority Consensus Conference

on Smoking and Cancer, Brisbane, Australia, February 1996
-Rapporteur, World Health Organization-ISEE International Workshop on Ethical and Philosophical Issues in Environmental Epidemiology, North Carolina, September 1994
-Tulane representative, Association of Schools of Public Health Epidemiology Council, 1993-1997
-Special Review Committee (to review applications for Collaborative Cancer Prevention Research Units), National Cancer Institute, NIH, Bethesda, MD, January 1995
-Special Emphasis Panel (to review an amended program project application), National Cancer Institute, NIH, February 1992
-AIDS Advisory Committee, District of Columbia Commission on Public Health, 1991-93
-NHLBI Workshop on Idiopathic Cardiomyopathy, National Institutes of Health, Bethesda, MD, June 1991

EDITORIAL BOARD APPOINTMENTS AND JOURNAL REVIEW ACTIVITIES

-Associate Editor for the American Journal of Epidemiology, 1995-
-Member, Editorial Board, BMC Public Health Reviews, 2017-
-Member, Editorial Board, mHealth, 2016-
-Member, Editorial Board, Annals of Breast Cancer, 2018-
-Member, Editorial Board for breast cancer, Cancer Clinics Journal, 2018-
-Member, Editorial Board, Journal of Hospital Management and Health Policy, 2017-
-Member, Editorial Board, Annals of Epidemiology and Public Health, 2017-
-Member, Senior Editorial Board, International Journal of Molecular Epidemiology and Genetics, 2011-
-Member, Editorial Board of Risk Management and Healthcare Policy, 2008-
-Associate Editor, BMC Medical Ethics, 2016-
-Editor-in-Chief, Journal of Environment and Health Sciences, 2014-
-Member of the Editorial Board of Annals of Translational Medicine and Epidemiology, 2014-
-Member, Editorial Board of the Jacobs Journal of Community Medicine, 2014-
-Member of the Editorial Board, Journal of Epidemiological Research, 2015-
-Member of the Editorial Board of International Journal of Healthcare, 2015-
-Member of the Editorial Board, JSM Journal of Health Education and Primary Health Care, 2016-
-Editor, The Open Health Services and Policy Journal, 2008-2011
-Member of the Editorial Board of the Open Epidemiology Journal, 2007-2014
-Member of the Editorial Board of Epidemiology, 1995-2002
-Member of the PDQ Cancer Genetics Editorial Board, International Cancer Information Center, National Cancer Institute, 1998-2002
-Guest Editor (with Drs. Clement Adebamowo, Sudeep Gupta, Maria Paula

- Curado, and Janet K. Bobo) for the International Journal of Breast Cancer Special Issue on Managing Breast Cancer in low- and Middle-Income Countries, 2011
- Guest Editor for the Journal of Registry Management, special issue (May 1999) on the future of cancer registration
 - Guest Editor for the American Journal of Preventive Medicine, special issue (February 1999) on genetics, public health, and preventive medicine
 - Member of guest Editorial Board for the journal of Health Education & Behavior (formerly Health Education Quarterly), special issue on ethics, 2001
 - Reviewer for the American Journal of Public Health
 - Reviewer for Annals of Epidemiology
 - Reviewer for the Journal of Clinical Epidemiology
 - Reviewer for the American Journal of Preventive Medicine
 - Reviewer for Cancer
 - Reviewer for Cancer Causes & Control
 - Reviewer for Social Science and Medicine
 - Reviewer for Preventive Medicine
 - Reviewer for Preventing Chronic Disease
 - Reviewer for the Journal of the American Medical Association
 - Reviewer for the Journal of Health Care for the Poor & Underserved

AUGUSTA UNIVERSITY ACTIVITIES

- Director, Master of Public Health Program, 2017-
- Principal Investigator, *Gulf War Women's Health Cohort Study*
- Principal Investigator, *Pilot Study: Healthy Lifestyle Intervention for African American Uterine Cancer Survivors*
- Program Director, MPH concentration in epidemiology (proposed)
- Course Instructor, MPH 8011 Ethical Conduct in Research, Fall 2016, Fall 2017
- Presentation on Gulf War Women's Health Cohort Study, Ob-Gyn residency program, Medical College of Georgia, August 3, 2016
- Coordinator, Department of Clinical and Digital Health Sciences seminar series
- Coordinator, Dean's Seminar Series on Community Engagement and Cancer Health Disparities Research, College of Allied Health Sciences and Augusta University Cancer Center
- Volunteer, Layman Farm Health Fair, August 2016
- Chair, Prevention Research Center Planning Committee, 2016-
- Presentations to department faculty and students on Pilot Study: Healthy Lifestyle Intervention for African American Uterine Cancer Survivors and Community-based Participatory Research, August 24, 2016
- Guest lecture on writing a Scientific Article for Publication, CAHS 7120 Interprofessional Education and Practice, August 31, 2016 and August 31, 2017
- Lecture on Ethical Issues in Health Research, Center for Undergraduate Research and Success, Augusta University, October 4, 2016
- Volunteer, Women's Health Fair, October 2016

- Lecture on Georgia and South Carolina state breast and cervical cancer screening programs, nurse practitioner program, College of Nursing, Augusta University, October 27, 2016 and October 18, 2017
- Capstone student mentor, MPH Program
- Member, Graduate School faculty
- Chair, doctoral dissertation committee for Jessica Stewart, MPH
- Project Lead, *Development of a Computer App (PYNC) for Preventing Breast Cancer in Women*
- Project Lead, *Development of a Computer App (HEART) for Preventing Cardiovascular Disease*
- Member, *Georgia Watch-Augusta University College of Nursing PCORI Collaborative Group, Assessing Health Outcomes in Rural Areas where Nurse Practitioners Provide Primary Care*
- Without Compensation (WOC) appointment as research epidemiologist, Charlie Norwood Veterans Administration Medical Center, Augusta, GA
- Consultant, *Mesh Network of Innovation for Public Health*, Robert Wood Johnson Foundation (Gianluca De Leo, PhD, MBA, PI)
- Course Director, MPHC 8722 MPH Internship, Summer 2017, Spring 2018
- Student Mentor, CAHS 9210 Investigation of a Problem, Spring 2017, Fall 2017, Spring 2018
- Course Director and Student Mentor, CAHS 9001 Advanced Topics, Fall 2017
- Member, CAHS committee for evaluation of Endowed Professors, 2017
- Member, Search Committee for Health Security Cyber Cluster Hire, 2017
- Co-Chair, Search Committee for respiratory therapy professor, 2017-2018
- Member, Selection Committee of the CAHS for Chair of Medical Illustration, 2017
- Principal Investigator, *Pilot Study: Healthy Lifestyle Intervention for Adult Clinic Patients with Type 2 Diabetes Mellitus.*
- Advisor for three doctoral students in applied health sciences and chair of their doctoral committees
- Member of four other doctoral committees, College of Allied Health Sciences and College of Nursing, 2017-
- Principal Investigator, *Southern Women Veteran's Health Study*, 2017-
- MPH internship preceptor for 1st Lt Evelyn Mose, American Military University, Fall 2017
- Presentation to department faculty and students on *Southern Women Veterans' Health Study*, October 26, 2017
- Co-investigator, study of niacin use and skin cancer and osteoporosis in rheumatoid arthritis, 2017-2018
- Student Mentor, NURS 8660, Introduction to Research and Nurse Research Residency, Fall 2017
- Presentation to department faculty and students on *Web Portal Use among Adult Clinic Patients with Diabetes or Pre-Diabetes*, January 25, 2018
- Member, Dean's Cabinet, College of Allied Health Sciences, 2018
- Principal Investigator, *Georgia Breast Cancer Survivors Study*, 2018-
- Member, Advisory Council, "Fostering an Inclusive Patient- and Family-Centered Care Environment for Sexual and Gender Minorities at Augusta University Medical Center", Department of Psychiatry & Health Behavior, Medical College of Georgia, 2018

- Member, Global Health Taskforce, Medical College of Georgia, 2018-
- Member, Mentorship Taskforce, Medical College of Georgia Office for Faculty Success, 2018-

UNIVERSITY OF MASSACHUSETTS AT LOWELL ACTIVITIES

- Director, MPH Practicum I (Fall 2015, Spring 2016)
- Director, MPH Practicum II (Spring 2016)
- Course instructor, Introduction to Epidemiology (Fall 2015, Spring 2016)
- Course instructor, Directed Studies (Fall 2015, Spring 2016)
- Member, MPH Curricula Committee
- Member, Mayor's Health Task Force, Healthy Active Living Work Group, City of Lawrence, 2016-
- Principal investigator, Massachusetts Faith Communities Health Needs Assessment Survey, 2015-2016
- Guest lecturer, Social and Behavioral Determinants of Health, Fall 2015
- Guest lecturer, Applied Technology in Health Promotion, Spring 2016
- Member of doctoral dissertation committee for Soha Bahanshal, "Text4Baby for Saudi Arabia"

UNIVERSITY OF TENNESSEE COLLEGE OF MEDICINE ACTIVITIES

- Member of Connect-2-Protect community coalition on HIV/AIDS, Memphis, TN
- Member of the Expert Advisory Committee for BurnPits360, a national non-profit advocacy organization for Veterans exposed to burn pits during combat deployments
- Expert epidemiologic consultant (Peabody and Arnold LLC, Boston, MA, representing Hoffman-LaRoche Ltd in litigation involving 8,000 cases of Crohn's disease or ulcerative colitis purportedly linked to exposure to Accutane for the treatment of severe acne)

DEPARTMENT OF VETERANS AFFAIRS ACTIVITIES

- Gulf War Steering Committee Databases Working Group, 2011
- Planning Committee member and Co-Principal Proponent for Gulf War Illness Cohort and Biorepository, Cooperative Studies Program (CSP) protocol 585, 2010-
- Epidemiology module, continuing education resource for providers 'Caring for Gulf War I Veterans,' 2010
- Principal Investigator, Follow-Up Study of a National Cohort of Gulf War and Gulf Era Veterans, 2010-
- Contracting Officer Technical Representative (COTR) and co-investigator, National Health Study of a New Generation of U.S. Veterans, a 10-year follow-up study of 60,000 Operation Iraqi Freedom (OIF) and Operation Enduring Freedom (OEF) Veterans, including 12,000

women veterans, 2008-2012

-pilot study and randomized trial of financial incentives to increase participation in a mail and web-based pilot survey of 3,000 OEF and OIF Veterans, 2009.

-COTR for the MIND Study (Markers for the Identification, Norming, and Differentiation of TBI and PTSD), information and administrative support contract, 2009-2011

CENTERS FOR DISEASE CONTROL AND PREVENTION ACTIVITIES

-Co-Lead, DCPC gynecologic/ovarian cancer expert workgroup, 2007-

-Member, CDC Health Systems Research Workgroup, 2008-

-Member, Program Review Panel, Division of Nutrition and Physical Activity, CDC, April 2008.

-NCCDPHP representative, CDC-FDA Patient Safety Workgroup, 2007--
Participant, TOPOFF 4 Full-Scale Training Exercise (for emergency preparedness), October 16-20, 2007.

-Member, Program Review Panel, Global AIDS Program applications, Support for Civil-Society Organizations that are Responding to HIV/AIDS in the Republic of Zimbabwe under the President's Emergency Plan for AIDS Relief (PEPFAR), September 12, 2007.

-Co-Lead, CDC project on addressing breast cancer among women in low-resource settings in the developing world, funded by the Susan G. Komen Foundation through the CDC Foundation, 2008-2009.

-Participant, CDC Pandemic Influenza Training Exercise, April 23-24, 2007, August 15, 2007, and March 12, 2008.

-Public Health Preparedness Certificate Training Program, Center on Preparedness, Terrorism, and Emergency Response, CDC, and Department of Homeland Security, Fort McClelland, AL, September 17-22, 2006.

-Member of Steering Committee, CDC-wide Public Health Ethics Steering Group, Office of the Chief Science Officer, 2005-2008.

-NCCDPHP Lead, CDC Public Health Ethics Committee, Office of the Associate Director for Science, 2006-2008.

-Member, CDC Healthy Healthcare Settings Goal Team, CDC Office of Strategy and Innovation, 2007-

-Participant, Public Health Surveillance and Analysis, Visualization, and Reporting Workshop, National Center for Public Health Informatics, May and June 2006.

-Cancer Information Channel (CIC) Portal working group, Division of Cancer Prevention and Control, 2006.

-Participant, CDC Workshop on Family History Tools to Improve the Public's Health, Decatur, GA, November 17, 2005.

-Division of Emergency Operations Center (DEOC) detail to Baton Rouge, Thibodeaux, and Lake Charles, Louisiana, to help with emergency disease surveillance at shelters for persons displaced as a result of hurricanes Katrina and Rita, September-October 2005.

-Special detail to help prepare a Congressional Report on CDC Epidemiological Studies in response to Public Law 108-427, (40% time), Office of the Associate Director for Science, CDC, February-April, 2005.

- Invited presentation on The CDC/ATSDR Gay, Lesbian, Bisexual, Transgender, Questioning (GLBTQ) Populations Work Group, Georgia Association of Physicians for Human Rights, Atlanta, GA, October 16, 2004.
- Invited presentation, CDC Office on Minority Health and Hispanic-Serving Health Professional Schools Technical Assistance Training Workshop, July 28, 2004.
- Family History Evaluation Study meeting, Office of Genomics and Disease Prevention, CDC, Atlanta, February 11-12, 2004.
- Technical monitor, Prevention Research Centers (PRC) Special Interest Projects on colorectal cancer screening in Lower Rio Grande Valley of Texas and High Plains Region of Colorado, DCPC, NCCDPHP, CDC, 2004-
- Participant, Prevention Research Centers (PRC) Cancer Prevention and Control Research Network meetings, Washington, DC, February 16-17, 2004, and Boston, MA, July 6-7, 2004.
- Member, objective review committee, HPV and Pap Smear Screening Educational Materials for Low Literacy Populations, Division of STD Prevention, NCHSTP, CDC, April 22, 2004.
- Technical monitor, Cooperative agreement on colorectal cancer control in Appalachian churches, DCPC, NCCDPHP, CDC, 2004-
- Genomics and Chronic Disease Program Directors meeting, National Center for Chronic Disease Prevention and Health Promotion, Atlanta, January 21, 2004.
- Invited participant, National Dialogue on Cancer Primary Prevention and Early Detection Summit, September 18-20th, 2003, Atlanta, GA.
- Member, objective review committee, Global AIDS Program application (Expansion of HIV/AIDS/TB Care and Prevention Activities Among People with HIV/AIDS in the Republic of Uganda), July 8, 2003.
- Member, CDC/ATSDR Gay, Lesbian, Bisexual, Transgender, and Questioning (GLBTQ) Populations Work Group, 2003-2005.
- GLBTQ Populations Work Group representative to CDC Excellence in Science Committee, 2003-2005.
- Technical monitor, Prevention Research Centers Cancer Prevention and Control Research Network, 2002-2004.
- Member, Family History Work Group, Office of Genomics and Disease Prevention, CDC, 2002-
- Member, objective review committee, Global AIDS Program applications (Support for Civil Society Organizations Responding to HIV/AIDS in Mali, Support for the National Laboratory for HIV/AIDS Reference & Quality Assurance in the Republic of Uganda), August 23, 2002.
- Member, Cancer Systematic Review Development Team, Guide to Community Preventive Services, 2002-2004.
- Contact for Healthy People 2010 initiative, Epidemiology and Health Services Research Branch, Division of Cancer Prevention and Control contact, 2002-2003.
- Lead CDC investigator, multicenter study on Evaluation of Hospice Referral and Palliative Care for Ovarian Cancer in the Managed Care Environment, 2002-
- Member, North American Association of Central Cancer Registries (NAACCR) Breast Cancer Working Group, 2001-2003.
- Acting Associate Director for Science, Division of Cancer Prevention and Control, NCCDPHP, CDC, January/February 2000.

- Participant, NCI Cervical Cancer in Rural Populations Data Evaluation and Planning Meeting, Pittsburgh, PA, March 2001.
- Moderator, session on new technologies and emerging issues in screening for cancer of the breast, colon, and ovary, CDC Conference on Using Science to Build Comprehensive Cancer Programs, Atlanta, GA, September 2001.
- Technical monitor, ASPH/CDC cooperative agreement, Epidemiology and Health Services Research Branch, Division of Cancer Prevention and Control, NCCDPHP, CDC, 1999-
- Technical monitor, Prevention Research Centers (PRC) Special Interest Project on barriers to early detection of ovarian cancer, DCPC, NCCDPHP, CDC, 2000-2003.
- Member, North American Association of Central Cancer Registries (NAACCR) Working Group on Ovarian Cancer in racial/ethnic minorities, 2000-2001.
- Objective reviewer of competing applications for public health interventions for arthritis, Division of Adult and Community Health, NCCDPHP, CDC, August 2001.
- Objective reviewer of competing applications, ASPH/CDC cooperative agreements, Public Health Practice Program Office (PHPPPO), CDC, July, 2000.
- Objective reviewer for REACH 2010 demonstration projects, Division of Adult and Community Health, NCCDPHP, CDC, August, 2000.
- Member, planning committee, 15th National Conference on Chronic Disease Prevention and Control, NCCDPHP, 2000.
- Member, Planning Committee, CDC Office of Genetics and Disease Prevention workshop on informed consent guidelines for public health researching involving genetics, 1999.
- Objective reviewer of competing grant applications, Water Fluoridation Assistance Program, Division of Oral Health, NCCDPHP, CDC, July 1999.
- Objective reviewer of competing grant applications, Public Health Preparedness and Response for Bioterrorism program announcement, Epidemiology Program Office (EPO), CDC, June 1999.
- Member/CDC representative, Department of Health and Human Services Bioethics Education Materials and Resources Subcommittee, 1997-
- Member, HIV Seroprevalence Survey Ethics Committee, Office of the Associate Director for Science, CDC, 1998.
- Consultant on human subjects protection, NCCDPHP, CDC, 1998
- Technical monitor, ATPM/CDC cooperative agreement, Epidemiology and Health Services Research Branch, Division of Cancer Prevention and Control, NCCDPHP, CDC, 1996-99.
- Member, Cancer Genetics, and Breast and Cervical Cancer Working Groups, Epidemiology and Health Services Research Branch, DCPC, NCCDPHP, CDC, 1997-98.
- Technical reviewer of competing applications, ATPM/CDC cooperative agreements, Public Health Practice Program Office (PHPPPO), CDC, 1996
- Participant, NCHS Workshop on Informed Consent in the Fourth National Health Nutrition Examination Survey, Washington, DC, March 1997.
- Invited speaker, Workshop on Science to Practice: The Role of Research in Public Health, Centers For Disease Control and Prevention-Emory University-Morehouse University, Atlanta, GA, April 1997.

- Invited participant, Bioethics Discussion Group, Centers for Disease Control and Prevention, April 1997.
- Invited speaker/moderator, sessions on cancer genetics and ethics in cancer prevention and control, CDC Conference on Integrating Public Health Programs for Cancer Control, Atlanta, GA, September 1997.
- Lecture on ethics in public health practice, Epidemiology Intelligence Service Course, Epidemiology Program Office, CDC, July 1997.
- Lecture on genetics and prevention of colon cancer, course on Genetics and Public Health, CDC, March 1998.
- Invited moderator, session on cancer genetics and genetic markers in occupational epidemiology, 1st annual CDC conference on genetics and public health, Atlanta, GA, May 1998.

TULANE UNIVERSITY SERVICE

- Chair, Ad Hoc Committee on Ethics Curricula, Tulane University Medical Center, 1995-1996
- Member, Committee on Use of Human Subjects, Tulane University Medical Center, 1996-1997
- Tulane representative, Association of Schools of Public Health Epidemiology Council, 1993-1997
- M.D./M.P.H. Oversight Committee, Tulane University Medical Center, 1993-1997
- General Preventive Medicine Residency Committee, Tulane University Medical Center, 1993-1995
- Doctoral Committee, Tulane University School of Public Health & Tropical Medicine, 1994-1997
- Tulane University Senate Committee on Athletics, 1994-1997
- Nominating Committee, Tulane University School of Public Health General Faculty, 1994
- Alternate for Member-at-Large, Grievance Committee, Tulane University School of Public Health General Faculty, 1995
- Cancer Center Statistician Faculty Search Committee, Tulane University Medical Center, 1993-94
- Copes Chair (Infectious Disease Epidemiologist) Search Committee, Tulane University School of Public Health & Tropical Medicine, 1994-96
- Biostatistics/Epidemiology Faculty Search Committee, Tulane University School of Public Health and Tropical Medicine, 1995
- Epidemiology Faculty Search Committee, Tulane University School of Public Health and Tropical Medicine, 1995-1996

PREVIOUS UNIVERSITY SERVICE

- Subcommittee on Risk/Benefit Analysis, Georgetown University Medical Center Institutional Review Board, 1990-93
- Task Force on Clinical Research, Department of Medicine, Georgetown University School of Medicine, 1992
- Consulting Program in Biostatistics and Epidemiology, Georgetown University Medical Center, 1989-91

TEACHING ACTIVITIES AT EMORY UNIVERISITY

-Invited lectures on moral reasoning/ethical decision making in public health, and on ethics and epidemiology, doctoral student noon-time seminar, Rollins School of Public Health Department of Epidemiology, Fall 2006

-Ethical, Legal, and Social Issues in Responsible Clinical Research, course director, Master of Science Program in Clinical Research, Rollins School of Public Health Department of Epidemiology and Emory University School of Medicine, Spring 1999, 2000, 2001

-Lecture on institutional review boards, course on Ethics in Public Health, Rollins School of Public Health, Fall 1998

TEACHING ACTIVITIES AT UNIVERSITY OF MICHIGAN

"Ethics, Epidemiology and Public Health Research", course director, Graduate Summer Session in Epidemiology, University of Michigan at Ann Arbor School of Public Health, July 1995, 1996

TEACHING ACTIVITIES AT TULANE

"Ethics, Epidemiology, and Public Health Research", Spring 1995, 1996, course director, Tulane University SPH&TM

Lecture on cancer screening, course on "Cancer Epidemiology", Spring 1994, 1995, Tulane University SPH&TM

"Advanced Topics in Public Health Ethics", Summer 1995, Fall 1996, course director for team-taught course, Tulane University SPH&TM

"Advanced Methods in Epidemiology", Fall 1993, 1994, 1995, 1996, course director, Tulane University SPH&TM doctoral program

"Cardiovascular Epidemiology", Spring 1994, 1995, 1996, course director for team-taught course, Tulane University SPH&TM

Co-director, "Clinical Biostatistics and Epidemiology", Fall 1993, 1994, lecturer and small group instructor for team-taught course for second year medical students, Tulane University School of Medicine

"Clinical Biostatistics and Epidemiology", Fall 1995, lecturer for team-taught course for second year medical students, Tulane University School of Medicine

Discussion leader of case studies on ethics in AIDS research, course on "AIDS Epidemiology", Spring 1995, 1996, Tulane University SPH&TM

Lecture on ethical issues of AIDS, course on "The Social Impact of

HIV/AIDS: An Introduction to the Epidemic", Spring 1996, Fall 1996,
Tulane University SPH&TM, Department of International Health

DOCTORAL COMMITTEE MEMBERSHIP AT TULANE

Ellen McCarthy, M.P.H., Ph.D., Department of Biostatistics and
Epidemiology, "Mammography Utilization: Does it Influence Breast
Cancer Outcomes?" (defended November 1996), Chair of doctoral
committee

Loic Flachet, M.D., Ph.D.-candidate, Department of Biostatistics and
Epidemiology, "Equivalence of Pentamidine and Standard Melarsoprol
Therapy in Precocious Late-Stage Gambiense Trypanosomiasis," Co-Chair
with Dr. Janet Rice

Bombelenga Yeako'mboko Bomboko, Dr.P.H.-candidate, Department of
International Health and Development, "Multicenter Randomized Study to
Compare the Chemoprophylactic Effect of Chloroquine in the Prevention
of HIV Transmission Following Two Different Schedules," Drs. William
Bertrand and Janet Rice Co-Chairs [the dissertation committee asked
Francesca to revise her protocol as a simplified observational study.
She returned home to Zaire and has not yet submitted a revised
protocol]

Eric Chamot, M.D., Ph.D., Department of Biostatistics and
Epidemiology, "Impact of HIV Testing and Counseling on Gonorrhea
Incidence Among Patients Attending an Urban STD Clinic," (defended
December 1995), Dr. Janet Rice Chair

Ruth Bessinger, M.P.H., Ph.D., Department of Biostatistics and
Epidemiology, "The Effect of Pregnancy on HIV Disease Progression,"
(defended November 1996) Chair of doctoral committee

Kathleen McDavid, M.P.H., Ph.D., Department of Biostatistics and
Epidemiology, "Predictors of Malnutrition Among Mother-Child
Discordant Pairs in Eight Sub-Saharan African Countries," (defended
April 1997) Co-Chair with Dr. Nancy Mock

Daniel Rosenberg, M.P.H., Ph.D., Department of Biostatistics and
Epidemiology, "The Utility of Social Network Methods for Identifying
Persons With and at Risk for Sexually Acquired Syphilis," (defended
April 1997) Co-Chair with Dr. Janet Rice

Jeanette Gustat, M.P.H., Ph.D., Department of Biostatistics and
Epidemiology, "A Multi-Country Examination of the Association Between
the Anthropometric Indicators of Wasting and Stunting"(defended July
1997) Co-Chair with Dr. Nancy Mock

PREVIOUS TEACHING ACTIVITIES

Lecture on clinical trials and epidemiology, Medical Oncology educational lecture series, Spring 1992, 1993, Georgetown University

Lecture on clinical epidemiology, Clinical Pharmacology educational lecture series, Winter 1993, Georgetown University

"Medical Data & Reasoning", Spring 1990, Fall 1990, lecturer and small group instructor for team-taught course for second year medical students, Georgetown University

"Biostatistics & Epidemiology", Fall 1989, Spring 1990, lab instructor in team-taught course for first year medical students, Georgetown University

"Community Health Nursing", Fall 1989, 1990, 1991, and 1992, lecturer in team-taught course for fourth year nursing students, Georgetown University

"Design and Analysis of Health Investigations", Spring 1991, course director, Masters program in Biostatistics and Epidemiology, Georgetown University

Graduate students advised in the Masters Program in Biostatistics and Epidemiology, Georgetown University:

Joan Kahn, M.S., research practicum entitled, "Comparison of Several Methods for Selecting a Log-Linear Model for a Cohort Study of Cardiovascular Mortality", summer 1990

Jacquelyn Castaldo, M.S., research practicum entitled, "Occupational Exposures and Intraocular Malignant Melanoma", summer 1990

Marilyn Tuttleman, M.S., research practicum entitled, "Attitudes and Behaviors of U.S. Primary Care Physicians Regarding Tight Control of Blood Glucose in Persons with Insulin-dependent Diabetes Mellitus", summer 1990

RESEARCH GRANTS AND OTHER FUNDING

Rheumatology Research Foundation, "Association of Niacin use with Skin Cancer in Rheumatoid Arthritis," Co-investigator, 10% effort, (Laura Carbone, MD, MS, Principal Investigator), 11/01/17 - 10/31/18

DoD, GW150116, "Gulf War Women's Health Cohort, 9/01/16 - 8/31/20, Principal Investigator, \$1,138,877

The Gilead Foundation, "Test, Listen, Cure" (TLC) Hepatitis C Community Awareness Campaign, \$50,000, August 2014

NHLBI, R29 HL44904, "The Epidemiology of Idiopathic Dilated

Cardiomyopathy", 7/1/90 - 6/30/96, Principal Investigator, \$350,000 in direct costs

NHLBI, R29 HL44904, "Research Supplement for Minority Graduate Student", 7/1/94 - 6/30/95, Principal Investigator, \$28,806 in direct costs

NICHD, "Childhood Predictors of Adult Coronary Artery Disease", 9/1/94 -8/31/99, Co-investigator, (Gerald S. Berenson, M.D., Principal Investigator), \$1,112,929 in direct costs

NIAID, 2R18 AI24403-04, "Physicians' Prevention of STD/HIV Infection", 9/1/89 - 8/31/91, Co-investigator, (David L. Rabin, M.D., Principal Investigator), \$803,449 in direct costs

NCI, P30 CA 51008, "Cancer Center Support Grant", 1991-93, statistician, (Marc E. Lippman, M.D., Principal Investigator) \$7,449,213 in direct costs

NCI, "PLCO Trial Screening Center", 1992-93, statistician, (Edward P. Gelmann, M.D., Principal Investigator), \$4,817,192 in direct costs

NCI, "Novel Therapeutic Targets in Breast Cancer" (SPORE in breast cancer), 1992-93, statistician, (Marc E. Lippman, M.D., Principal Investigator), \$4,682,400 in direct costs

NIAID, "Women's Interagency HIV Study", Co-investigator, (Mary Young, M.D., Principal Investigator), \$4,798,621 in direct costs

INVITED PRESENTATIONS

-Presentation on 'Analyzing Big Data using VA Informatics and Computing Infrastructure and GRID SAS,' 2018 Research Symposium: Cyber Impact on Our Community, Country and Healthcare, Charlie Norwood VAMC, Augusta, GA, May 18, 2018.

-Presentation on 'Advancing Risk Stratification for Precision Prevention: Ethical Considerations for Rare Diseases,' American College of Epidemiology annual meeting, New Orleans, LA, September 25,

2017.

-Presentation on 'Privacy Concerns with Social Media: Answering Your Patients' Questions, American Society for Clinical Oncology annual meeting, Chicago, IL, June 4, 2017.

-Presentation on 'Gulf War Women Veterans Health Study,' Augusta University College of Medicine Ob-Gyn residency program, August 2, 2016.

-Presentation on 'Smartphone Applications for Health Promotion in Diverse Communities', Georgia Regents University College of Allied Health Sciences, Augusta, GA, April 25, 2016.

-Presentation on 'Smartphone Applications for Cancer Prevention and Control in Diverse Communities', Toxic Use Reduction Institute, Lowell, MA, December 2, 2015.

-Presentation on 'Conducting Systematic Reviews in Public Health and Clinical Medicine,' Georgia Regents University Institute of Public and Preventive Health, Public Health Scholars Summer Program, Augusta, GA, June 19 2015.

-Presentation on 'Post-traumatic Stress Disorder and Cardiovascular Disorders, New York City Department of Public Health & Mental Hygiene, World Trade Center Health Registry, New York, NY, June 15, 2015.

-Presentation on 'Faculty Training Workshop on Successfully Applying for Extramural Funding,' Georgia Regents University Institute of Public and Preventive Health, Augusta, GA, March 11, 2015.

-Presentation on 'Post-traumatic Stress Disorder and Cardiovascular and Metabolic Disorders,' Division of Public Health, University of Massachusetts, Lowell, MA, Flint and East Lansing, MI, March 6, 2015.

-Presentation on 'Post-traumatic Stress Disorder and Cardiovascular and Metabolic Disorders,' Department of Health Science, Northern Arizona University, Flagstaff, AZ, February 24, 2015.

-Lecture on 'Planning and Conducting Health Promotion Programs in Diverse Communities,' Department of Health Science, Northern Arizona University, Flagstaff, AZ, February 24, 2015.

-Acceptance of Research Integrity Award, International Society for Environmental Epidemiology annual meeting, Seattle, WA, August 25, 2014.

-Presentation on 'Post-traumatic Stress Disorder and Cardiovascular and Metabolic Disorders,' Michigan State University College of Human Health, Flint and East Lansing, MI, August 14, 2014.

-Presentation on 'Post-traumatic Stress Disorder and Cardiovascular and Metabolic Disorders,' Georgia Regents University Institute of Public and Preventive Health, Augusta, GA, August 11, 2014.

-Presentation on 'Post-traumatic Stress Disorder and Cardiovascular and Metabolic Disorders,' University of Tennessee College of Medicine, Memphis, TN, November 2013.

-Presentation on 'Post-traumatic Stress Disorder and Cardiovascular and Metabolic Disorders,' Florida International University School of Public Health, Miami, FL, May 2013.

-Gulf War Veterans research update. American Legion Veterans Policy Oversight Committee meeting, Washington, DC, April 29, 2013.

-Testimony before United States House of Representatives Committee on Veterans Affairs, Subcommittee on Oversight and Investigations,

Washington, DC, January 23, 2013.

-Coughlin SS, Mahan C, Kang H, Mlodik M, Schneiderman A, Barth S, Bullman T, Peterson M. Post-traumatic stress disorder and other predictors of total mortality in a Longitudinal Study of U.S. Veterans Who Served During the 1990-1991 Gulf War or During the Same Era, accepted for poster presentation, International Society for Traumatic Stress Studies 28th annual meeting, Los Angeles, CA, November 1-3, 2012.

-Coughlin SS, Mahan C, Kang H, Mlodik M, Schneiderman A, Barth S, Bullman T, Peterson M. Predictors of total mortality in a Longitudinal Study of U.S. Veterans Who Served During the 1990-1991 Gulf War or During the Same Era, poster presentation, VA National Research Week, Washington, DC VAMC, April 23-27, 2012.

-Presentation on 'Post-traumatic Stress Disorder and Cardiovascular and Metabolic Disorders,' Health Services Research and Development (HSR&D) seminar, VA Medical Center, Durham, NC, October 25, 2011.

-Presentation on 'Post-traumatic Stress Disorder and Cardiovascular and Metabolic Disorders,' Department of Medicine Grand Rounds, VA Medical Center, Washington, DC, October 12, 2011.

-Presentation on 'Follow-up Study of a National Cohort of Gulf War and Gulf Era Veterans,' Department of Defense/Department of Veterans Affairs Deployment Health Working Group Workshop on DoD and VA Longitudinal Cohort Studies, Focusing on Long-Term Health Effects of Deployments, Falls Church, VA, July 29, 2011

-Presentation on 'Follow-up Study of a National Cohort of Gulf War and Gulf Era Veterans,' Department of Defense/Department of Veterans Affairs Deployment Health Working Group meeting, Washington, DC, July 15, 2010

-Lecture on 'National Health Study for a New Generation of U.S. Veterans,' George Washington University Residency Fellowship in Health Policy, October 23, 2009.

-Lecture on 'Ethics and epidemiology,' International Union Against Tuberculosis and Lung Disease course on public health ethics, Cancun, Mexico, December 5, 2009.

-Lectures on 'Introduction to Mixed Media Art and Acrylic Painting,' Centre de Arte, Albergue Las Memorias, La Morita Colonia, Tijuana, B.C., Mexico, October 5, 2008, November 3, 2008, May 25, 2009, and November 1, 2009.

-Grand rounds presentation on 'Addressing Breast Cancer in the United States,' Nevada Cancer Institute, Las Vegas, NV, July 14, 2008.

-Lecture on 'CDC-funded Colorectal Cancer Intervention Trials,' University of Iowa School of Public Health, October 9, 2007.

-Lecture on 'Ethical Issues in Public Health Surveillance' for Course on Public Health Surveillance offered by Department of Global Health, Rollins School of Public Health, Emory University, May 10, 2007.

-Invited lecture on 'Ethical Decision Making,' First Metropolitan Community Church of Atlanta, February 23, 2007.

-Invited lecture on 'Rights, Responsibilities, and Public Safety Pertaining to Public Health and Transmissible Diseases,' as part of course on Issues in Medical Ethics for M.Div. students, Columbia Theological Seminary, Decatur, GA, November 28, 2006.

-Seminar for Ph.D. students, 'Ethical Issues in Epidemiologic Research

and Public Health Practice,' Rollins School of Public Health, Emory University, October 12th and 19th, 2006.

- Presentation, 'Hope and Public Health,' National Center for Chronic Disease Prevention and Disease Prevention, CDC, October 6, 2006.
- Invited presentation, 'Mission Trip to Mother of Peace Children's Home, Mutoko, Zimbabwe,' Christ Covenant Metropolitan Community Church, Decatur, Georgia, June 4, 2006.
- Invited presentation, 'Life Events, Motivating Factors, and Leadership Vision,' Emory University, April 25, 2006.
- Invited presentation on 'Design and Conduct of Empirical Surveys on Public Health Ethics,' School of Public Health, University of Nevada, Reno, April 12, 2006.
- Invited presentation, 'Mission Trip to Mother of Peace Children's Home, Mutoko, Zimbabwe,' First Metropolitan Community Church of Atlanta, March 12, 2006.
- Invited presentation on BRFS at Outcome Evaluation meeting for Team-up: Cancer Screening Saves Lives, American Cancer Society National Office, Atlanta, GA, November 23, 2004.
